Reggie,
We will be able to help but can't deploy in 24 hours. OSC Gary Lipson is available to deploy on August 31 - September 17. We have another OSC, Tom Condon, who is checking his schedule. Carol will get back to you shortly on his availability. Both are seasoned and Incident Commander trained.

Shaun and Mathy agreed to bring immediate support to the Gold King release. Regions 6,7,8,9 & 10 are either directly engaged, supporting this response and the most recent weather events in the Pacific territories.

We are looking for a rotating group of deputy incident commanders to help coordinate and execute a 3 Region, 4 State and 2 Tribal government response. We would need a most senior experience individual who would be willing to serve a minimum 2 week tour with a need to identify one person who could deploy in the next 24 hours.

If you can help and have very qualified individuals willing to help, please contact me immediately. I need to report back mid-day Wednesday.

Thanks
